Diving into the second term with excitement!

Year 2 Field Trip 22nd January

Our Year 2 students had an exciting and educational field trip to the Colombo Museum! They had the opportunity to explore fascinating exhibits, learn about Sri Lanka's history, and see ancient artefacts. It was a memorable experience that sparked their curiosity and deepened their understanding of history.

Pre Reception - Healthy food

Topic Days 28th - 31st January

Our students had an amazing time during their topic days, exploring new themes through hands-on activities and engaging in discussions. Each class had a fantastic opportunity to dive deeper into their topics in a fun and interactive way.

Reception - Under the sea

Year 2 - Sri Lanka

Year 1 Students "Fun Pizza-Making Adventure"

22nd January

Our Year 1 students had an exciting and delicious field trip to a restaurant. They had the opportunity to learn about the pizza-making process, from kneading the dough to adding their favourite toppings. The little chefs had a fantastic time getting hands-on experience and, of course, enjoying their freshly baked pizzas!

Exploration Day: A Fun Outdoor Adventure! 31st January

Our nursery students had a wonderful Exploration Day filled with adventurous outdoor activities, including an outdoor walk exploring the school gardens, a fun picnic, spotting birds, trees and bugs, and making their own binoculars.

Independence Day

05th February

Our students celebrated Independence Day with a special assembly. It was a wonderful occasion for them to reflect on the core values of unity, freedom and national pride.
