WENDY AND PETER PAN

At the CIS senior drama production of Wendy and Peter Pan held on the 31st January and 1st February, the audience was transported into a mesmerizing world where magic and adventure awaited. The lush forests, sparkling stars, and whimsical details of Neverland materialised on stage through the intricately detailed set that made every scene feel like a dream.

The talent of the cast was equally impressive, as each actor brought their character to life with energy and charm. Whether it was Peter's infectious confidence or Wendy's graceful leadership, the actors truly made the characters their own. We would like to extend our heartfelt thanks to the Performing Arts teachers, the cast and the backstage crew for their remarkable efforts.

1970's Pop Art

Featuring an impressive smorgasbord of works that showcased the remarkable talents of our senior Art students, the familiar Senior Hall of CIS morphed into an explosion of colour and expression. The diverse styles and mediums on display demonstrated not only the students' technical abilities but also their depth of expression and personal artistic vision. Thoroughly supported by the Art Department, the exhibition was a true testament to the hard work and dedication of our talented students.

MUN Community Service Project

The generosity and the goodwill of our school community shone once again as we collectively donated 40 dry rations packs to the Tellippalai Trail Cancer Hospital in Jaffna. In keeping with the rich legacy of success at MUN conferences, our delegates are diligently preparing for COMUN 2025.

We wish them all the best for the conference!

INDEPENDENCE DAY 2025

The Independence Day Assembly held on the 7th February was a heartfelt celebration of Sri Lanka's rich history and its journey to freedom. The event was filled with a sense of national pride and unity as students and staff came together to honor Sri Lanka's independence.

Valentine's Day

On Valentine's Day, in addition to the exquisite roses handed out by Prefects, personalised Spotify cards gave everyone the perfect soundtrack to celebrate the day with their favorite tunes. It was a delightful way to celebrate friendship, love, and the vibrant spirit of the school community.

INCLUSIVITY AND SELF-CONFIDENCE

In the interest of building a sense of community and having open discussions about the importance of inclusivity and self-confidence, both staff and students have been engaging in non-academic activities during form time this term.

The activities such as vision boards, friendship bracelets with anti-bullying slogans and self-confidence themed Bingo, facilitated an opportunity for students to freely express themselves without judgement and rebuke. We would like to extend our heartfelt thanks to our Student Counsellor and our Class Teachers for their efforts in the realization of this initiative.

We look forward to discussing the topic of *Integrity* in March.

It has been a busy first half of term and as always, we would like to extend our warmest thanks to the parents and students for their hard work and commitment.
