

BOYS INTER-HOUSE BASKETBALL

This year's Senior Inter-House Boys Basketball tournament featured all four houses competing fiercely and with a strong sense of team spirit.

The winning House was decided by the outcome of the final game between Green and Yellow, within which Green House ultimately triumphed. The game was an intense one that required overtime because both houses were so determined to come out on top.

By dominating every match and taking home the Inter-House trophy, Green House lived up to its status as the tournament favorite. Special mention to Green House players: Sasindu Perera (Year 13), Romal Weerasinghe (Year 13) Buvaneshka Chandrasekara (Year 13), Mayurendra Balasuriya (Year 12), Mahdhy Mohamed (Year 13) for their outstanding performances in both offense and defense.

Even though Yellow House was ultimately defeated in the final match, they still prevailed over the strong Red and Blue houses, hence placing them second. Special mention to Yellow House players: Raid Rizan (Year 13), Yevin Dissanayake (Year 13), Hussein Jafferjee (Year 13), Abdur Rahman Anver (Year 11), and Heshika Perera (Year 12) for their exceptional performances.

Blue House and Red House competed for third place. Again, it was an intense game that went into overtime, but Blue won and moved up to third place. Rumeth Marasinghe (Year 12), Ranusha Samaranayake (Year 12), and Nicholas Wijeratne (Year 12) deserve special recognition for their exceptional efforts in each of their games.

Despite Red House finishing in fourth place, Kaushal De Silva (Year 13), Nadhil Perera (Year 13), and Krish Batagoda (Year 13) deserve special recognition for their great play in each of their games.

Once again, congratulations to Green House on their fantastic performance and best of luck to all houses for the upcoming Inter-House events.
