Letter of Gratitude for Voluntary Service at MR/Kithalagama, East Junior  
School

25-12-2021

Dear Siluni Walakuluarachchige,

We want to personally extend our gratitude and how blessed we feel for the aid that you, Siluni Walakuluarachchige from Colombo International school, have given us and our students. It is very rare to find compassion in this world and you have given us such a gift by volunteering to teach our students English on 25<sup>th</sup> of December. As a school, at times feel overlooked and we have many changes and growth to occur in order to make this a better home for our students and we feel extremely gracious that you agreed to help these students as it will mean the world to them. Therefore, on behalf of myself, the teachers, the students and all the other staff members of MR/Kithalagama, East Junior School, we would like to thank you for your humble service for our school and our children as they are the future of this country. We hope to see you again and wish you the best of luck with all your studies and future endeavors.

Thank you,

Yours Sincerely,

Mrs. Deepika Nilanthi Mudihage

Deputy Principal

Siluni Walakuluarachchige (CIS student in 9) very kindly gave up her time on 25th December to give an English lesson to the students at this school. Her class involved a workshop and she also guided students to give speeches about themselves.

We know her efforts were hugely appreciated by the school and its pupils!
