

# Inter House Swimming Meet

## 2022-2023

The Inter-House Swimming Meet was held on Friday 21st October and was an exciting day filled with fun, laughter and cheer. This year's meet was a true testament to all four houses' spirit and resilience.

At 5:30am, decorations began. Despite the heavy rain and thunder we saw students hanging decorations under umbrellas, fully embracing the spirit of the competition. However, it was clear that Blue House dominated in the decorations, earning 20 points.

The opening ceremony began with the oath being read by the Swimming Captain, followed by a water ballet item that left the audience in awe. Then, the Principal, Ms. Sarah Philipps declared the swimming meet officially open.

The swimmers gave it their all in both relays and individual events, displaying their talent and house spirit throughout the meet. It was admirable to watch how each swimmer was so determined to earn points for their House.

The supporters' cheers and roaring applause could be heard from across the street, a testament to the intense competition between the houses. We are also grateful to the teachers, captains and prefects who all played a vital role in ensuring that the event ran smoothly and was enjoyable.

During the awards ceremony, each win gave rise to applause and cheers that echoed all around - an indication of the true sportsmanship present on the day. Congratulations to all champions and participants!

And finally, congratulations to the overall champions- Yellow House:
