

MOVIE NIGHT 2022

Movie Night, held on Friday 16th September, was a new experience - and what an experience it was!

Students in grades 7-11 enjoyed a hilarious screening: 'Croods: A New Age' from 3-5pm in the school Auditorium, followed by the Sixth Form screening of 'Uncharted' on a completely transformed Basketball Court. Both batches also enthusiastically enjoyed a variety of snacks such as brownies, popcorn, hotdogs and more, courtesy of the Prefects' Guild.

Special thanks to the Head Prefects and the teachers for coming up with this novel idea, and to all the prefects who helped by ensuring the event ran smoothly. We hope that everyone enjoyed the screenings - calls for Movie Night to be brought back bigger and even better than before should give an inkling of how popular it was with the student body.
