

# OLYMPIAD

## AWARD CEREMONY 2022

We are proud to announce that Siluni Walakululuarachchige from Year 10 was awarded three bronze medals for the following: the Vanda Science Local International competition; the American Mathematics Olympiad and a Science Schools Math Olympiad. She was presented with her medals at the Olympiad Champions awards ceremony which was held on 1st October at the University of Colombo. Siluni was also selected to attend the follow-up event in Singapore through her successful completion of the Vanda Science final exam.

Congratulations Siluni – we are all very proud of you!
